Protection for your Apple Watch.

AppleCare+ for Apple Watch and Apple Watch Nike+ extends your coverage to two years from the original purchase date* and adds up to two incidents of accidental damage coverage, each subject to a \$69 service fee, plus applicable tax. In addition, you'll get 24/7 priority access to Apple experts via chat or phone.

\$49

Apple Watch Series 3 requires an iPhone 6s or later with iOS 14 or later. 1 Irregular rhythm notification requires the latest versions of watchOS and iOS. It is not intended for use by people under 22 years old or those who have been previously diagnosed with atrial fibrillation (AFib). 2 ISO standard 22810:2010. Appropriate for shallow-water activities like swimming. Submersion below shallow depth and high-velocity water activities not recommended. 3 To use Emergency SOS, your iPhone needs to be nearby. If your iPhone isn't nearby, your Apple Watch needs to be connected to a known Wi-Fi network and you must set up Wi-Fi Calling. * AppleCare+ benefits are in addition to any legal rights provided by consumer protection laws in your jurisdiction. Purchase of the plan is not required to purchase Apple Watch. AppleCare+ is subject to acceptance of the Terms and Conditions. For complete details, see terms at www.apple.com/legal/sales-support/applecare/applecareplus. Apple WATCH SE

Heavy on features. Light on price.

Apple Watch® SE has the same larger display size Retina® display as Series 6, so you can see more at a glance. Advanced sensors to track all your fitness and workout goals. And powerful features to keep you healthy and safe. The Sleep app lets you set a bedtime routine and track your sleep. And you also get calls, messages, and music right on your wrist. It's a lot of watch for a lot less than you expected.

from **\$279**

Apple Watch SE (GPS)

Key Features

- GPS model lets you take calls and reply to texts from your wrist
- Large Retina® OLED display
- Up to 2x faster processor than Series 3
- Track your daily activity on Apple Watch and see your trends in the Fitness app on iPhone®
- Measure workouts like running, walking, cycling, yoga, swimming, and dance
- Swimproof design¹
- High and low heart rate notifications and irregular heart rhythm notification²
- Sync your favorite music, podcasts, and audiobooks
- Pay instantly and securely from your wrist with Apple Pay®
- Built-in compass and real-time elevation readings
- Can detect if you've taken a hard fall, then automatically call emergency services for you
- Emergency SOS lets you get help from your wrist³
- watchOS® 7 with sleep tracking, cycling directions, updates to Siri, and new customizable watch faces
- 100% recycled aluminum cases available in three finishes
